

# 2025

## COMPANY PROFILE

## Company Overview

Genius Business College (Pty) Ltd, founded in 2018 was established with a vision to pioneer a transformative era in online training. Our goal is to address the unemployment crisis across the African continent by offering innovative learning experiences that blend computer, business and Educator skills with business incubation. We believe these efforts will help shape a more skilled and empowered workforce, driving lasting change globally. Our head office is located in Springs.

### Vision Statement

“To pioneer a transformative era in online training, catalyzing innovation and redefining learning experiences globally.”

### Mission Statement

Our mission is to revolutionize online training by integrating cutting-edge technologies and methodologies, fostering continuous learning and skill development. We strive to empower individuals and organizations to thrive in a rapidly evolving landscape through accessible, engaging, and impactful training solutions.

### Core Values

#### Innovation

- We foster a culture of creativity and forward-thinking to develop solutions that drive meaningful change

#### Collaboration

- We believe in the power of teamwork, working together to achieve shared goals and create lasting impact

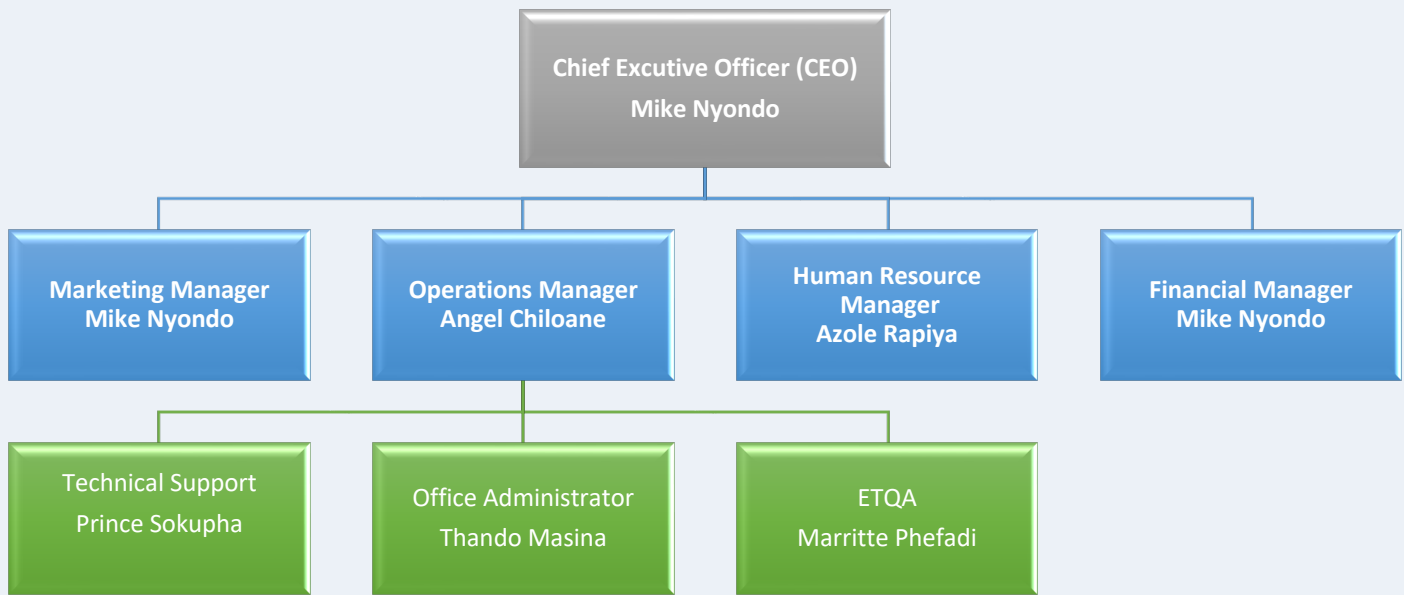

#### Continous Improvement

- We are committed to learning and evolving, always seeking ways to enhance our processes and deliver better results.

#### Empowerment

- We inspire individuals to take initiative, providing them with the tools and confidence to reach their full potential.
